

Government website links

This is a hugely comprehensive resource with a lot of websites which are generally paid for but are now available free. The teachers will, at times, direct you to certain ones but we wanted to make them all available to you to look through.

<https://www.gov.uk/government/publications/coronavirus-covid-19-online-education-resources/coronavirus-covid-19-list-of-online-education-resources-for-home-education>

Oak National Academy

<https://www.thenational.academy/online-classroom>

A national initiative, financially supported by the government, produced by a collaboration of organisations with technological back up that schools alone could not access, providing a fantastic range of lessons for children of all ages.

BBC Bitesize

The BBC are releasing free resources and daily online lessons which are really useful.
